London Tyne

Sentinel Portfolio Management Limited trading as London Tyne presents the Managed Portfolio Service, a comprehensive solution offering a wide range of discretionary actively managed, multi-asset, risk-rated, and diversified portfolios. The managed portfolio service consists of 6 models and 2 ranges. The first range consists of our actively managed portfolios: Cautious, Balanced and Opportunistic. The second range consists of our actively managed ETF range named "Cost Conscious" (CC) that aims to hold a similar asset allocation to our best ideas at lower cost.

Investment Objective - Balanced

The investment objective is to grow the capital value of the portfolio as well as to generate some degree of income. The Strategy is designed for an investor with a time horizon of more than 5 years, and a medium tolerance for risk that can accept moderate variation or disruption to capital value or current income in order to achieve their longer-term objective.

Returns Disclosure & Disclaimer

Performance reflects the actual returns of a representative **model** of the LT Balanced portfolio. Past performance is not a reliable indicator of future results. Returns are net of holdings' fees and expenses (cheapest share class) but exclude manager fees (c.0.35% p.a.), adviser, and platform charges. Fund availability varies by platform, so OCF also differs. Returns assume a single trading date for holding changes; actual platform performance may vary. Performance over one year is cumulative, not annualised. Exchange rates may impact valuations.

*Rebalancing normally occurs quarterly but may be more or less frequent depending on market conditions to avoid unnecessary costs.
